SCHOOL INFORMATION

With over 99 years in personalizing education, Cushman students develop a way of thinking and behaving that models courtesy, industry, responsibility, and civic engagement. The School provides a range of rigorous offerings which promote scholarship, character, leadership, effective communication, and innovation as cornerstone skill-sets.

Cushman engages a wide range of partnerships and mentorships in Miami and the global community. Our **Signature Academic Programs** of Society and Me (SAM) and Design, Art and Technology (DAT) provide our students with the disposition and skill-set to think and respond outwardly and to be recognized as **Innovators of Change**.

SCHOOL ACCREDITATION

The Cushman School is fully accredited by the **Southern Association of Independent Schools, Cognia**, and the **Florida Council of Independent Schools**.

PHILOSOPHY & MISSION

The mission of The Cushman School is to cultivate happy, creative, and engaged citizens who exemplify an exceptional character and a positive attitude. The educational environment at our School fosters in students the qualities of virtue, responsibility, industry, and respect for self and others and nurtures the student in intellectual, physical and spiritual growth.

ADMISSIONS AND ENROLLMENT

The Cushman School was founded in 1924. In response to much demand to extend its character-driven approach to education through the critical adolescent years, the High School division was added in 2016. Enrollment in the High School for 2022 – 2023 was 200 students. Forty-five percent of its students came from multicultural backgrounds, and 45% spoke languages other than English at home. The average class size was 15.

GRADUATION REQUIREMENTS

26 credits are required for graduation and must include: English (4), Mathematics (4), Science (3), Social Studies (3), World Language (2), Fine Arts (1), Physical Education/Health (1) and 8 Academic Electives, including the Core Competencies.

Grading Scale

The Cushman School does not rank students. The transcript provides a cumulative core grade point average, both weighted and unweighted, and is calculated as follows:

Level Of Mastery	Description	Grade Equivalent	Grade Points Standard	Honors	Advanced Placement
Expert	Indicates excellent performance in mastery of objectives	A	4	5	6
Advanced	Indicates developed performance in mastery of objectives	B	3	4	5
Intermediate	Indicates satisfactory performance in mastery of objectives	C	2	3	4
Beginner	Student performance indicates the beginning of understanding of objectives	D	1	1	1
Missing	No evidence of understanding is provided	F	0	0	0

SIGNATURE ACADEMIC PROGRAMS

ACADEMICS

Cushman's approach to curriculum empowers students beyond a traditional college preparatory track by building core competencies in citizenship, design, art, communication, and technology.

SOCIETY AND ME (SAM)

The Society and Me ("SAM") programming is the culmination of a Laura Cushman education, which is aimed at fostering strength of character. SAM's mission is to facilitate direct engagement with trying issues of our time that students self-identify as critical. This year-long course provides students with the time and resources required to empower them to effectuate positive change.

Throughout their SAM course, students are challenged to design and execute impactful solutions that incorporate the values and philosophy of a Cushman education. SAM is a process-based learning experience through which students grow to value community, collaboration, and the power of being an engaged citizen. Students are encouraged to persist through challenges and work diligently to make an impact in their communities. SAM is about more than community service; it is an integral way in which The Cushman School creates leaders who are innovators of change. Students expand their knowledge, confidence, self-respect, and empathy towards others. Through SAM, all learners can be leaders.

DESIGN, ART AND TECHNOLOGY (DAT)

DAT cultivates visual and cultural literacy through interactive curricula – illustration, fine arts, photography, graphic design, data visualization, design and technology. This two-part course develops students as innovators who seamlessly unite the concepts to achieve compelling results. The exposure instills in students the mindset and skills needed to communicate effectively through various media.

SIGNATURE ACADEMIC PROGRAMS

Cushman offers a standard college preparatory academic program, offering 22 courses at advanced placement, and 28 at honors levels. Honors and AP courses are clearly noted on the student's transcript. Essentials classes provide specialized instruction to meet students' individual needs.
